

## **Music Therapy Services**

### Description:

We will provide Music Therapy Services for your loved one in their own home or facility.

Creative Music Therapy Solutions was established to enhance the profession of Music Therapy and to service the Music Therapy community by providing experienced, qualified Music Therapists to replace Music Therapists taking maternity leave, sick leave, a sabbatical, or just a well-earned vacation.

Our expanded company, Creative Music Therapy Solutions Inc., now provides Music Therapists for permanent as well as temporary positions, working with clients in their homes and in established facilities.

In addition, Creative Music Therapy Solutions Inc. now sells high quality musical instruments, with the Music Therapist and their clients in mind. Please check out our impressive selection of instruments and very competitive prices. We specialize in percussion and have hundreds of varied and unique instruments in stock! Visa, Mastercard and debit now accepted.
