

Elder Services Iowa

Description:

Elder Services, Inc. (ESI) is the premier regional resource specializing in services for elders and their caregivers in east-central Iowa.

Mission

The mission of Elder Services, Inc. is to;

â€¢ Enhance the quality of life of older persons by providing them affordable high-quality home and community-based services;

â€¢ Support family caregivers in both arranging and providing care for family members in need of assistance;

â€¢ Promote meaningful reciprocal community involvement by creating opportunities for older persons to contribute through intergenerational volunteer opportunities.

Services:

ESI is both a provider and advocate for senior citizens' ability to live independently.

The five service areas, representing a continuum of care needs are:

â€¢ Retired & Senior Volunteer Program Services

â€¢ Home Assistance Services

â€¢ Nutrition Services

â€¢ Geriatric Care Services

â€¢ Aging & Disability Resource Center Services
